

2010 St. James Girls Softball Team
Morris County Catholic School Girls Softball League
Open to all 6th, 7th and 8th Grade Girls
No Experience Necessary!

Softball season is almost here! Games will begin in early April and playoffs should conclude the week prior to Memorial Day. Games are on Mondays, Tuesdays, and Fridays (mostly). We leave immediately after school, and begin most games at 3:30 and end at approximately 6:00.

Our home field is Southard Park. These are the teams that we played last year: St. Virgil in Morris Plains, St. Elizabeth in Bernardsville, Assumption in Morristown, St. Vincent de Paul in Stirling, Holy Family in Florham Park, Our Lady of the Magnificent in Kinnelon.

"As a league, we attempt to provide a positive softball environment for all of our members, to cultivate in our players a love of the game, in an environment which respects and ensures all players are valued regardless of skill level, and most importantly making sure that all participants have fun in the process."
Paul Caruso, league coordinator.

For those of you that played last year, you know that it is truly my goal in helping our girls. I want you to learn the game and increase your confidence as players, but most of all enjoy the game. If you have other obligations on certain days, and still would like to be part of the team, I am open to having you join us whenever you can make it! I just ask that you communicate your availability as soon as you know it, so that I can adjust.

I am happy to be coaching again this year and ask that any parents who wish to help coach please contact me. We will need a lot of help from parents to make the season run smoothly please see registration form for opportunities to chip in.

We will begin practicing in the gym 6:00-7:30PM Mondays and Tuesdays until our fields are ready for practicing. Practices will start upon the completion of the SJS basketball season. You will need to bring a softball glove- be sure it is your size, sneakers and shorts or sweats. Once the weather gets better and the fields are open, we will practice outside at the St. James lower field or at Southard Park.

Call or email me any time with any comment or question. Please complete and send in the registration form and check to Miss Shupp, 4B.

There will be a short meeting for players and parents on Thursday, March 11, 2010 at 4:00PM in the school library.

Looking forward to a fun season!
